

SORRENTO OAKS NOOZ BYTES

Trash bins

Please put your bins out on the street as late as you can on Mondays, and take them in as early as you can on Tuesdays! It's safer for walker and drivers, and looks nicer.

Except for the grey (garbage) bin, put bins out only when they are full.

Be sure the top of the bin can close. If not, save the "offenders" for the next week!

Let's help GreenWaste...and ourselves.

Chris' pictures

Thought I'd share a couple of pictures from my walkabout. It always amazes me that flowers can grow in nothing more than sand with hardly any water and still put on such a show .

Just got lucky with the shadows on the beach as the pelicans flew overhead. Chris (sp. 22)

Along came Bill,

our new maintenance provider!

Bill was raised and schooled in Santa Cruz, including Santa Cruz High.

His father's job took the family around our country and the world. He's seen all the changes over the years in our wonderful beach town. Bill spent some time in the US Navy, retired as a public employee and worked as a firefighter, for S.C. City Parks, for Soquel and

Pajaro schools. He also has a small landscaping business. Bill very much enjoys the outdoors, traveling, loves camping, fishing, the ocean and sports. Bill has a daughter and is grandpa to her 7 children who live in Las Vegas.

Office temporary closing

Jan's schedule: here on June 30th, then away until July 12th!

The office will be closed Friday July 2nd through Friday July 9th and reopen on the 12th.

Phone messages and mail will be taken care of in Jan's absence.

Water

Check your water usage on your SOHA bill or on the meter in your utility pod. Can you use less next month?

Lock it up...

... lock your house, lock your shed, lock your car. Prevent theft.

Calling all party animals!

Come to our clubhouse at 2pm on July 4th. We'll celebrate birthdays of all kinds with cake, pie and ice cream. Be ready for some fun. Much of it will be outside, some in the clubhouse, to accommodate all.

Ideas?

Do you have ideas you'd like to share, ideas for using less plastic and water and electricity, ideas for wasting less food, ideas for eliminating gophers or weeds or...? Let's hear 'em.

Be sure to read Zero Waste, the quarterly flyer sent to those having accounts with GreenWaste, from our SC County Public Works. There are lots of good ideas for us to "Reduce, Recycle, Reuse".

Our coyotes

Coyotes in our glen:
We never know just when.
Hi ho the derry-o,
They prob'ly have a den.

We hear them howl at night.
They yowl with all their might.
Hi ho the derry-o,
Look out: they like to bite!

Coyotes like to snack.
Don't ever turn your back.
Hi ho the derry-o,
They'll eat your dog or cat!

Once upon a time...

...there wasn't a mobile home park here. Who'd like to look into our history? Contact Sandy (sp. 11) for a few names of our people to contact, and information about having a series of articles in the Nooz. Could be fun and interesting.

Emergency Assistance: Requiring Police, Sheriff, Fire Dept, Ambulance : 911

Any other urgent assistance: Call James (sp. 53) or Ken (sp. 20)
